18V LITHIUM-ION  
BATTERY SERIES

One 18V Lithium-ion battery for an entire range of power tools and garden equipment. That's "One Fits All", the new Powerplus EB-line battery series. It offers endless possibilities and total freedom of movement.

Choose between two 18V battery models with a different capacity: 1.5Ah or 3.0Ah for a longer runtime.

**AVAILABLE  
JANUARY 2018**

**JIGSAW - POWEB2530**

The 18V jigsaw POWEB2530 with 4 pendulum positions guarantees an accurate sawing performance. The pendulum action lets you saw faster and in harder materials. The adjustable base allows the blade to tilt up to 45°, so you can also make precise angled cuts. A led worklight clearly illuminates the cut line.

The maximum cutting depth of this jigsaw is 8mm in steel and 65mm in wood, with a rotation speed of 0-2500min<sup>-1</sup>. You control the speed needed for the task with the variable speed dial. The blades can be inverted easily thanks to the quick blade change system. One blade for wood is included.

Combine with the 'One Fits All' 18V Li-ion battery. Battery and charger not included.

TECHNICAL SPECIFICATIONS POWEB2530		Features	Box content	Symbols
Rated voltage	18V <sup>max</sup>	<ul style="list-style-type: none"> <li>• soft grip</li> <li>• quick adjustable base</li> <li>• quick blade change</li> <li>• 4 pendulum positions</li> <li>• led worklight</li> </ul>	1x Jigsaw	 
Rotation speed	0-2500min <sup>-1</sup>		1x blade for wood	
Connection type	T-shaped		1x manual	
Capacity	Steel: 8mm Wood: 65mm Plastic: 20mm
