

CERTIFICATE

SANITARY APPLIANCES

Afnor Certification attests that the products referred to in the appendix comply with the characteristics described in the certification reference system NF 017 after assessment according to the testing procedures set out in this reference system.

By virtue of the present decision notified, Afnor Certification grants:

Company ROVESE S.A. AL SOLIDARNOSCI 36 PL-25-323 KIELCE

Trademark CERSANIT

the right to use the NF mark Sanitary Appliances for the products which are the subject of this decision, throughout its period of validity and under the conditions provided in the NF mark General Rules and in the above-mentioned reference system.

Renewal Decision CERS dated 22/06/2012

This decision cancels and replaces any previous decision.

Except in case of withdrawal, suspension or modification, this certificate is valid for 15 months. The list of certified products is kept up to date and is available on the following Web site: www.cstb.fr

CERTIFIED CHARACTERISTICS

The products having the right to use the NF mark Sanitary Appliances have the minimal characteristics required by the following standards, possibly completed by technical specifications:

NF D 11-101, NF D 12-101, NF D 12-203, NF D 14-601, NF EN 14688, NF EN 997
